Student Spotlight: DESTINY

Destiny first came to our center in 2017 and has worked toward her GED® for the past two years. Last week she passed her final GED® test, math, with the help of her tutor, Theresa (pictured here). Destiny is the first person in her family to get her GED® and she plans to start the nursing program at Chemeketa this Fall. You inspire us Destiny, congratulations!

SPOTLIGHT ON LITERACY

BENEFIT DINNER AND AWARDS- APRIL 26, 2019

Thank you to everyone who supported our 5th Annual Spotlight on Literacy at Creekside Golf Club. Together we raised \$45,000 to help more adults learn English, get their GED®, become U.S. Citizens, and more! We were thrilled to welcome Governor Barbara Roberts back to present **Susan Castillo** with the Literacy Trailblazer Award who has been a champion for students from under served communities. We also recognized Kevin Mannix, for his support of our program, and Mary Kruger for ten years of volunteer service (read more about Mary on the back). The evening would not have been as successful without our event sponsors. Thank you to our Title Sponsor, Cabdoor; our Silver Sponsor, Pioneer Trust Bank; and our Bronze Sponsors, Maps Credit Union, Valley Credit Union, and OMEP.

Upcoming Events:

August 23rd - First Day of Fall Term
September 7th - Tutor Training
October 11th - "Hits & Giggles" Golf Tournament

CLASS SPOTLIGHT:

STAYTON UNITED METHODIST CHURCH

Stayton United Methodist Church provides classes to adults in English, GED®, and U.S. Citizenship Preparation. Since 2007, they have served hundreds of students and changed numerous lives. Mary Kruger (pictured on the left) has been the site coordinator since the Mid-Valley Literacy Center was founded ten years ago and we are grateful for her leadership.

cabdoor

CabDoor is Committed to Growing,
Training and Continuous
Improvement.

It's human nature to grow. We've been doing it since we started in 1989.

First we started with simple things, the essentials to stay in business.

The same remains true today! We're continuously growing how we do, what we do, and how we grow our people towards a successful future.

We know our success as a company goes hand-in-hand with our employees' success.

Whether it be computer training, training modules, or outside continuing education we strive to support our people on there journey towards self improvement.

Help us "Drive" for Literacy!
