### Student Turned Monthly Donor

"My name is Doris and I have been an English student at Mid Valley Literacy Center for two and a half years. I am so convinced and happy that this school exists, since I learn so much from all my instructors who do that all voluntarily. I am fortunate to be in the position of making a donation. With this, I hopefully can help support the MVLC so that it can help other people who are not able to pay for tuition but are willing to learn English to have a better job opportunity. Sincerely, Doris Kulaita"
